

OBCA Fall Board Meeting
October 12th, 2018
Sherwood High School

Attendees: Kyle Cowan, Marshall Cho, Nick McWilliams, Chris Roche, Rahim Tufts, Greg Griffin, Denny Groenig, Derek Duman

1) Clinic Evaluation

- Need more women's coaches to present. Either females or coaches of females.
- The upper gym and lower gym seemed to be competing with noise. The facility has those challenges.

2) NHSBCA Meeting

- We discussed the need for a possible Membership Benefit and fee. The OBCA needs to identify what that benefit would be and how we can gain traction to become relevant in Oregon Basketball.
- We also discussed the OSAA committee that Kyle Stanfield is putting together and how we can be a part of that process.
- There was a discussion about the next NHSBCA meeting is in Seattle and our hope is that we take as many as possible to the next summer meeting.
- Discussion regarding June recruiting weekends and how we can be involved with them. Potentially with our tournament

3) OBCA Goals

- Shot Clock Update: Currently dead. AD's overwhelmingly voted against it last year. Until we get significant backing, can't go anywhere.
- Want to keep chipping away at it. Original idea of summer tournament was to help grass roots implementation of shot clock. Possibly new company - Fairplay that might be able to install clocks at cheaper price.

4) Other Goals

- Have petitioned for additional week at beginning of year. 6a pilot program still there. OSAA waiting to make decision until they get feedback on it.
- Talked about gender specific sites. OSAA compromised by doing gender specific sessions.
- Maybe help recruit more officials? Needed all over. Former players, students, etc...
- Golf Tournament? Networking time and fundraising. Think coaches would show up, dinner afterwards? Start small and build it. Helps get name recognition. Bring Officials association into it? Pat's friend Spencer Gerke willing to help. Looking for anyone on board to help as well
- Area Reps - what can we give them to do? Hold area meetings a few times a year-get feedback from coaches. Maybe OBCA night at different colleges? Free admission for HS coaches

5) All Star Game Coordination

- Looking for all star game reps for each league to help coordinate with kids to be aware.
- BJ hosting a youth coaches clinic from 2-4pm at McNary HS, free of charge. Emphasis on youth coaching.

6) Board Elections

- President Elect position. Pat ready to start stepping away from president position. In 2019 need to elect new President and Secretary. Want continuity. Also need an area rep from central oregon. Who might be good or want to be a part of the board?

7) Financial Review

- Currently have \$239.19. Get \$3,000 from clinic. Finishing paperwork with IRS in order to become public non-profit.

8) Additional Business

- Next meeting scheduled for the spring. Need to leave today thinking about board officers. If anything we want to change, need to get that figured out soon (i.e. shot clock, gender sites, etc...)
